## experience

**contract graphic artist | Freelance** nov. 2009 – present

Continue relationship with LMD Agency on a contractual basis. Established partnership with Baltimore's Mobtown Studios creating web-ready album artwork for monthly music series and assist with open projects for such clients as Navy Football, University of Cincinnati, and the National Equestrian Society. Work with a variety of Baltimore and Washington, DC based musicians and musician oriented service providers on website design and album art.

**graphic artist | LMD Agency** sept. 2005 – nov. 2009

Work directly with clients to fulfill marketing and design needs as outlined by an initial Creative Brief. Duties include, but are not limited to, the design of: brochures; posters; direct mail pieces; annual reports; logo and brand development; flash animations; web site design; on-line ad campaigns; and interactive web experiences. Additional responsibilities include print estimating; photo shoot management; project management; and off-site press checks.

**graphic designer | Marketing General Inc.** apr. 2003 – sept.2005

Design and manage projects from concept to print for direct mail packages, conference booklets, magazine advertisements, web page design, and other related print media for major associations and member supported organizations.

**media specialist | Target Corporation** dec. 2001 – dec. 2002

Conceptualize, design, and produce newsletters, brochures, posters and all other communication related documents as well as create and maintain internal web site, online newsletters, and weekly PowerPoint presentations for closed circuit television network.

**assistant art director | Towson University Art Services** sept. 2000 – jan. 2001

Continue duties as graphic artist as well as oversee and train new hires, work with clients to develop ad campaigns, and work with Art Director on concept development for various projects.

**graphic artist | Towson University Art Services** sept. 1999 – sept. 2000

Design black and white, two color and four color newspaper advertisements, booklets, brochures, posters, web page designs, indoor and outdoor signage, and other graphic design related duties for in-house design firm.
